

LORD TENNYSON ELEMENTARY SCHOOL NOON HOUR PROGRAMS

Fall 2016

REGISTRATION

OPENS: 7:00 PM Friday, September 23

CLOSES: 11:00 PM Wednesday, September 28

**Please Note
Revised
Registration Date**

Register early. Programs are popular and fill up quickly!

DATES

Each activity will have 8 classes (except as noted).

Mondays	Oct 3-Nov 28 (No class Oct 10)
Tuesdays	Oct 4-Nov 22
Wednesdays	Oct 5-Nov 23
Thursdays	Oct 6-Dec 1 (No class Nov 10)
Fridays	Oct 7-Dec 9 (No class Oct 21 & Nov 11)

INSTRUCTIONS

Registration will be done through the Munchalunch website (just like the Hot Lunch program, you can use your same Hot Lunch account info). You can find a link for Munchalunch on the Tennyson website along with course descriptions for the classes. If you do not already have a Hot Lunch / Noon Hour account, please set-up one up using the Munchalunch tab at the bottom left of www.lordtennyson.ca.

Once you log into Munchalunch, click on the yellow "Fundraising" tab to find the Noon Hour offerings. Please note that these programs are not for fund-raising. The goal is student enrichment and the PAC relies on volunteer coordination to run the program.

All payments are due by Friday, September 30, 2016.

Please keep in mind that no refunds will be issued after the first week of classes.

Questions? Send an email to: NoonHourPrograms@lordtennyson.ca

MONDAY CLASSES

YOUNG COMMANDER Chess: Learning Life Strategies With Fun (Grades 1 – 7)

\$ 59

Instructor: Joe Soliven

Location: Library

Maximum 22 participants (minimum 12)

Playing chess and being smart are interconnected. There's a strong correlation between chess and academic achievement including math, spatial analysis and non-verbal reasoning ability. Chess teaches higher level thinking skills such as visualization, analysis and critical thinking. Join Instructor Joe in a Sherlock Holmes world of chess where art meets science and math with fun.

TUESDAY CLASSES

Creative Expressions (Grades 1 - 3)

\$52

Instructor: Shauna Farrell

Location: Classroom 211 E (Mme Christine's classroom)

Maximum 12 participants (minimum 6)

Dance! Art! Drama! Music! Play! Create! Learn! The group will collaborate to produce individual and group work centered on a theme. Although a variety of arts techniques will be introduced—music, creative writing, movement, visual art—other important learning/life skills such as problem solving, cooperation, collaboration, leadership and communication will be an essential part of creating the work. Each child will have a chance to contribute to every part of the production and/or display regardless of his or her skill level or previous experience.

Earth Scientists (Grades 1 – 7)

\$59

Instructor: Janine the Jenius

Location: TOSS

Maximum: 15 participants (minimum 20)

Junior geologists will dissect the layers from a laboratory earth egg to learn what our planet is made of. We will study plate tectonics, laboratory volcanoes, mineral and rock identification, and do gold panning for gems. Scientists will create an eatable garden and a take home each class! Also included in this science series Oct 26th only: The Science of Halloween Featuring; the Bubbling Potions and a visit from FLASH the GHOST!

TUESDAY CLASSES

Purple Dragon Karate/ Jiu Jitsu - Primary (Grades 1 - 3)***

\$58 for class (uniform is not included in this price)

Instructor: Sensei Amber and Senpai Jemma from the Purple Dragon Kitsilano Academy

Location: Gym

Maximum 12 participants (minimum 6)

Purple Dragon Karate/ Jiu Jitsu - Intermediate (Grades 4 – 7)***

\$58 for class (uniform is not included in this price)

Instructor: Sensei Amber and Senpai Jemma from the Purple Dragon Kitsilano Academy

Location: Gym

Maximum 12 participants (minimum 6)

*****PARENTS/GUARDIANS: PLEASE SEE MANDATORY WAIVER BELOW**

Kick! Block! Roll! Learn how to break fall and develop self-defense techniques while improving fitness, gaining confidence and having fun! Discipline taught helps instill focus and perseverance to achieve goals and excel. Please remember to bring your uniform to class.

New Students welcome! As part of the Purple Dragon program, all students should come to class in uniform. Purple Dragon is able to provide student uniforms at a cost of \$30 each.

After registering, new students can email a uniform request to the noon hour coordinator at NoonHourPrograms@lordtennyson.ca. Please bring the \$30 uniform fee to the first class and the instructor will provide the uniform. Students get to keep the uniform for future classes.

Email the noon hour coordinator if you have any questions.

*****PARENTS/GUARDIANS: Please carefully read the following waiver regarding this course.**

Guardians / Parents give consent for their kids to attend Purple Dragon class for the noon hour programs at Lord Tennyson. The Guardians / Parents understand the risk of personal injury in attending Purple Dragon Classes. Purple Dragon, its employees or associates shall not be held liable for any damages arising from personal injury from participation under instruction, in use of equipment or facilities herein. Students / participants do so at his/her own risk. All participants are physically able to proceed with exercises, instructions, in the facilities provided. Any medical and physical disabilities have been disclosed to Purple Dragon prior to attending classes.

WEDNESDAY CLASSES

Guitar (Grades 4 – 7)

\$90

Instructor: Catherine Hiltz

Location: Room 102 (Mme Lichimo's classroom)

Maximum 10 participants (minimum 5)

Join Catherine for noon hour guitar! Catherine will teach a wide range of songs while highlighting key musical concepts (including some basic note-reading, rhythm, and specific guitar techniques). Students will learn the six strings of the guitar, some basic chords and strumming patterns, and popular riffs on the low E and A strings. Beginner students welcome. No guitars necessary, students can use the school's guitars for this course.

Guitar 4-7 will meet 7 times, Oct 5-Nov 23 (No class Oct 12)

Chemistry Concoctions (Grades 1 - 7)

\$59

Instructor: Janine the Jenius

Location: TOSS

Maximum 20 participants (minimum 15)

Junior Alchemists will learn the special language of chemistry! We'll construct marshmallow molecules to learn about atoms and scientific connections. Dry Ice CO₂ will demonstrate the burping potion, the flying Mr Cork, chemical cannons and the scientists will cool off with a scientific bubble shower! The kids will take something home each class! Also included in this science series Oct 25 only: The Science of Halloween Featuring; the Bubbling Potions and a visit from FLASH the GHOST!

THURSDAY CLASSES

Bricks 4 Kidz LEGO® Lunch Club (1 - 3)

\$63

Instructors: TBA

Location: TOSS

Maximum 16 participants (minimum 7)

Bricks 4 Kidz offers hands-on, project-based curriculum that introduces elementary-aged children to basic concepts of engineering, architecture and mechanics using motorized LEGO bricks. Our program provides quality STEM learning (STEM: Science, Technology, Engineering and Math) in a positive and collaborative learning environment!

Bricks 4 Kidz will meet 7 times, Oct 6-Nov 24 (No class Nov 10)

THURSDAY CLASSES

Junior Choir (Grades 1-4)

\$46

Instructors: Catherine Campolin, Vancouver Bach Children's Chorus
Conductor
Dr. Elinor Chambers, Accompanist

Location: Gym

Maximum 45 participants (minimum 20)

Learn new songs in French and English, gain vocal confidence, and share your voice! No experience necessary! Ms. Catherine & Dr. Chambers are excited to offer this program and share their love of music.

FRIDAY CLASSES

Hip Hop & Jazz (Grades 1 – 5)

\$70

Instructor: Michelle Hersey - D'Hercy Dance Co.

Location: Gym

Maximum 18 participants (minimum 10)

Introduction to Hip Hop and Jazz dance for beginner and repeat students alike. Dancers will do Hip Hop and Jazz each lesson. Presentation on the last day, costumes provided. Wear stretchy, comfortable clothes and bring a water bottle to class.

Sewing with La Movida Sewing & Design Studios (Grades 3 - 7)

\$59

Instructor: Laurie Franks from La Movida Sewing & Design Studio

Location: Classroom 105 (Mme Renée's class)

Maximum 24 participants (minimum 10)

Students will work on two projects this term. They'll design their own or choose a popular design for an Emoji Plush Key Chain. They will hand stitch the face and use a sewing machine to stitch up the edges. The second project is a scarf made with beautiful bamboo knits. Students will learn to use a pattern, pin and cut fabric, and sew on a machine.
