

WHALE SHARK POWER

T-Shirt Order Form & Info Letter

This is a fundraiser towards supporting Whale Shark Conservation.

Whale sharks are found in tropical ocean areas. They are the largest fish and shark in the world. They are gentle animals that eat large amounts of plankton to survive. Whale sharks are endangered because they are overfished for their meat, fins and oil. In addition, due to irresponsible Whale shark tourism, their cycle of life can become disrupted and affect their feeding or they can get injured. Help us support research and conservation of this amazing animal and the healthy oceans they need to survive!

By purchasing a T-shirt, all proceeds will go towards a donation to the **Maldives Whale Shark Research Programme**: <https://maldiveswhalesharkresearch.org/>. This registered charitable organization conducts research and community mobilisation around whale shark populations and conservation needs.

Please help us, help Whale Sharks!
